

BALI II D4

The BALI II D4 collection is our response to the latest trends in furniture design. Dull blue combined with golden decors and handles add a touch of elegance and nostalgia to your personal space as the wardrobe has this armoire look about it. The interior is spacious with numerous shelves and a hanging rail for long garments. External drawers offer quick and easy access to any stored items.

In the picture: frame - dull blue; front - dull blue, mirror. Hinged door.
