MILO 140 with lamella

MILO 140 wardrobe with lamella is a piece of furniture that works well in any hallway or a hotel room. It is a comfortable wardrobe with additional space for a bag, shoes and practical external hanging. A combination of white, Wotan Oak and mirrors add lightness and make any space airy and bright whereas its black version fits dark industrial interiors.

In the picture: frame - white; front - lamella, mirror, white.
