Fantastic

PORTO II 250

The PORTO II collection consists of two models of wardrobes, which differ in width and number of front panels. These have a timeless and elegant design with functionally planned interior. For that reason the PORTO II wardrobes are a great choice for every household that shall resist time. PORTO II 250 has three sliding doors and is 250 cm wide.

In the picture: frame - graphite; front - graphite, mirror. Aluminium slides, lower carriages on bearings.
