VISTA 250

VISTA is a collection of wardrobes, with the same height and depth but different widths. The characteristic feature of the design is the layout of the fronts - with one panel of mirrored glass and the other in the colour of the frame with thin horizontal lines. Vista 250 is the largest and, as the only one in the collection, has three doors.

In the picture: frame - white; front - white, mirror. Aluminium slides, lower carriages on bearings.
